Can I hunt or fish?

Yes! All state laws must be obeyed regarding seasons, licenses, tags and other regulations. Successful hunters must fill out a game harvest card either at the gate as they exit the property or on-line.

What about fire season?

The weather is difficult to predict, but almost every year we can count on several days or weeks of 'fire weather' or weather where the fuel moisture is low. We have a responsibility to protect the property so there will likely be times during the summer and/or fall when the property is completely closed. Information regarding reopening the property is available only by calling 360.740.3757

Is there special access for handicapped hunters?

Handicapped hunters are welcome to hunt during state hunting seasons with a recreation access permit. A form is available to be mailed or emailed to you. The hunter must make available a copy of his or her Washington State disabled hunting license and placard and the helper must sign a waiver to be on the property. To request the form please call (360) 740-3757 or email awndrea.pannkuk@afmforest.com

What if I lose my key or permit?

Lost or stolen keys or permits cannot be replaced.

What if permits sell out before I purchase mine?

Permits are available on a first-come, first-served basis. Additional permits will not be sold. Purchase your permit early!

What happens if I break the rules?

In order to maintain the privilege of using private property for recreational access, all rules and regulations must be followed and are strictly enforced. If you are caught breaking the rules, your permit will be revoked at least for the remainder of the season and possibly longer. If you disagree with the decision, there is an appeal process that is available by request.
